

Health Savings Account (HSA) Eligible Expenses

Funds you withdraw from your HSA are tax-free when used to pay for qualified medical expenses as described in Section 213(d) of the Internal Revenue Service Tax Code. **A list of these expenses is available on the IRS Web site, www.irs.gov in IRS Publication 502, "Medical and Dental Expenses." Please refer to the IRS for the most up to date information.**

Any funds you withdraw for non-qualified medical expenses will be taxed at your income tax rate plus 20% tax penalty if you're under 65.

The following list provides examples of eligible and ineligible medical expenses. This list is not all-inclusive. Remember, the IRS may modify its list of eligible expenses from time to time. As always, consult your tax advisor should you require specific tax advice.
